

Plantacare®

The Original APG® Line

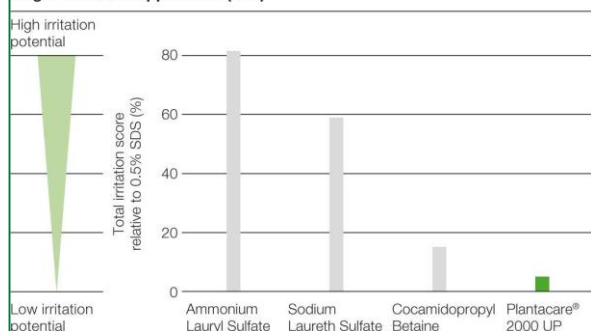

Plantacare® – The benefits of nature for Personal Care

Our APG® line Plantacare® is a special class of nonionic surfactants obtained from renewable, plant-derived feedstocks. They stand for first-rate environmental and skin compatibility profiles, creating a perfect synergy of mildness, foaming performance and effective cleansing.

Benefits

- From 100% renewable feedstocks, complete range from certified sustainable palm-based raw material with RSPO MB supply chain certification
- All-round surfactant with proven mildness
- Very gentle to skin, mucous membrane, to hair and scalp
- Improves the skin compatibility of conventional surfactant systems
- Excellent foaming behavior
- Effective cleansing, efficient removal of build-up from hair
- Perfect fit for gentle cleansing, especially suited for sensitive skin, baby oral cleansing
- Ideal for concepts alternative to EO-/PEG-/sulfate containing surfactants

Epicutaneous patch test (2% AS, pH 6.5),
single occlusive application (24 h)
